

THE VALE ROYAL SINGERS

The Vale Royal Singers is a group of around 25 singers, based in Cheshire.

Our concerts are compiled from an extensive and varied repertoire and include works by composers as diverse as Mozart, Byrd, Fauré, Rutter, The Carpenters, Chilcott and Sondheim, to name but a few. Christmas Carol Concerts also feature in our diary.

Directed by Margaret Corlett and accompanied by Brian Heald, two well-known and respected local musicians, we perform to a high standard in a variety of venues.

We give concerts to raise funds for churches, charities and other organisations, as well as for pure entertainment, for example as part of a concert series, usually in Cheshire or Wirral, frequently further afield. We are also able to offer choral music for weddings and other special celebrations in the area.

If you are interested in making a booking, contact details are given below. We do charge a fee to cover expenses such as music hire and accompanist etc. If you wish to hear us, short items can be found on our website. Details of our concerts are also given on the site.
